ATHLETICS

Athletics are an integral part of our society and education. With this in mind a broad program of intramural and intercollegiate sports has been planned for the men and women of Essex County College. The intramural program includes a variety of sports determined by *student interest* (basketball, volleyball, badminton, softball, touch football, tennis, bowling, and table tennis). On an intercollegiate basis, the college has joined the N.J.C.A.A. (National Junior College Athletic Association). Essex County College is a member of Region 19 of this association, which includes junior and community colleges from the states of New Jersey, Delaware, Pennsylvania, Maryland, and the District of Columbia. Essex County College has also joined the Garden State Athletic Conference.

Intercollegiate sports for men for the 1969-70 academic year include a 24-game schedule for Basketball, with Cross Country, Soccer, Tennis, Track and Field, Wrestling, Baseball, and Golf being scheduled. In addition, the college participates in sports sponsored and organized by the N.J.C.-D.G.W.S. (New Jersey Committee-Division for Girl's and Women's Sports). This organization provides opportunity for women to engage in the following: Field Hockey, Basketball, Softball, Archery, Fencing, Lacrosse, Gymnastics, Folk Dance Festivals, Dance Symposiums, Soccer, Speedball, and other activities.

It is the intent of the intercollegiate sports program at Essex County College to establish and maintain high standards of ethical control and fair play.

Wesley College — Dover, Delaware 19901
Williamsport Area Community College — Williamsport, Pa. 17701
York College of Pennsylvania — York, Pennsylvania 17405

**New Members*

2. Essex County College is a member of the Garden State Athletic Conference (11 two-year public county colleges of New Jersey) (GSAC)

"The purpose of this conference shall be to regulate and supervise inter-collegiate athletics among the member colleges, to assist in bringing into public esteem the ideals and functions of athletic programs in the member colleges, and to assure that athletic programs are maintained on a level in keeping with the dignity and purpose of higher education."

Northern Division	Southern Division
Bergen County College	Atlantic County College
County College of Morris	Camden County College
Essex County College	Cumberland County College
Middlesex County College	Gloucester County College
Somerset County College	Mercer County College
Brookdale Community College	Ocean County College

(no program of athletics at present)

3. Essex County College program of intercollegiate sports is supervised by an Athletic Council. The membership consists of:

Three students elected by the Student Government
Three faculty members elected by the Faculty Senate
Director of Athletics
One representative from Academic Council (non-teaching), and
One representative from Student Affairs (elected)

The total membership is nine.

Duties of the Athletic Council

(1) To serve as a consulting group for the Director of Athletics on such matters as he may care to submit.

(2) To advise with the Director of Athletics and others concerned on any regulations governing intercollegiate athletics at Essex County College.

(3) To advise the Director of Athletics on ways and means of keeping the faculty and students informed on intercollegiate athletics and providing adequate interpretation programs in matters related thereto.

(4) To make an annual evaluation of the intercollegiate athletic program and make recommendations.

4. Essex County College offers a broad program of intercollegiate sports which includes:

Baseball
Basketball
Cross Country
Golf
Indoor Track
Outdoor Track
Soccer
Tennis
Wrestling

5. Student eligibility for participation: (See Rules of Eligibility NJCAA)

(a) Freshman from High School: Carry, as a regularly enrolled student, at least ten (10) hours or units of college work.

(b) Sophomore: Have passed at least ten (10) hours or units of college work with a grade point average of 1.50 or better during the quarter or semester of attendance previous to his competition.

(c) Transfer Students from Junior College: If program of athletics existed at Junior College *NOT ELIGIBLE* first year.

(d) Transfer Students from Four Year College: *ARE ELIGIBLE*, if they meet the requirements of the *Rules of Eligibility*.

6. Athletic Equipment: Students will be held responsible for the return of all equipment, personal or game, which is checked out to them and for which they sign. A replacement charge will be made for all such equipment which is not returned.

7. Athletic Injuries: Care for injuries incurred in competition or practice will be provided by the college in accordance with established college policy.

8. Athletic Awards: All recommendations for awards shall be made by the coach through the director of athletics. All recommendations the subject to review and final approval by the Athletic Council. Thus the Athletic Council acts as a balance wheel for all awards in all sports.

9. Principle of Amateurism

An amateur sportsman is one who en student employees in that institution.) social benefits he derives therefrom, and to whom the sport is an avocation.

(a) An amateur shall lose his eligibility by:

1. Receiving payment or accepting a gift or loan for playing, coaching, or teaching in any sport.
2. Receiving payment or accepting a gift or loan for officiating in any athletic contest. (This rule shall not be construed to apply to a student who, as a part-time employee in a member institution, is assigned to officiating in intramural contests as a part of his regular work for which he is paid at the usual rate for student employees in that institution.)
3. Signing a contract with a professional team in any sport, regardless of any subsequent cancellation or revocation, absence of payment, or lack of training with the team.
4. Receiving expenses from a professional team.
5. Practicing or trying out with a professional team even though he receives no expenses or payment therefore.
6. Playing in any sport with or as a member of a professional team.
7. Being paid to write a sports article in a periodical other than one sponsored by his own institution.
8. Receiving compensation for a radio or television appearance.
9. Accepting an award which does not meet reasonable specifications as to value, type, and source.
10. Participating in any athletic competition under an assumed name or otherwise with intent to deceive.
11. Permitting the use of his name or picture in commercial advertising.

SHARPE JAMES
DIRECTOR of ATHLETICS

Sharpe James is Newark's own boy who fashioned an athletic career at South Side High School and Montclair State College (Panzer, B.S. 1958). After a two-year tour of duty in the United States Army in Europe, where he served as director of athletics - coach and player, he received his M.S. in physical education from Springfield College (1961). While attending Springfield College, he served as a laboratory instructor in human anatomy and as research assistant to the renowned sports medicine physiologist, Dr. Peter V. Karpovich. Under the guidance of Dr. Karpovich and Dr. Philip D. Gollnick (research collaborator), James co-authored numerous research publications and received the department of physiology award for his work on the study and publication "Electrogoniometric Study of Locomotion and of Some Athletic Movement". In 1962-63, James was an instructor in human anatomy and research assistant to Dr. Philip D. Gollnick at Washington State University. At WSU he worked under a National Heart Institute Grant to study "Liver Cholesterol and Organ Weight Changes of Exercised Normal and Hypocholesteremic Rats". He was a teacher in the Newark school system for six years. However, the former all USAREUR coach-track participant, who went undefeated in the 800-meter run (149.9) up to the trials for the 1960 Olympics in Rome, is more widely known for the success of his track and cross-country teams at Weequahic and West Side High School. James' tracksters compiled an enviable record of 55 wins and only 5 losses in dual meets as well as six championship victories. ECC cross-country and tennis coach, he voluntarily assists in track and basketball. James, who also has attended Washington State University and Columbia University, is presently enrolled in Rutgers University's Graduate School of Education.

13.	Roger Marshall	East Orange
14.	Vincent D'Antonio	Our Lady
15.	Fred Di Stefano	Verona

REMARKS: First "harrier" team ever for Essex County College lacked individual talent and team depth. Team was plagued with inconsistent performances due to general indifference toward rigorous training.

TEAM LEADERS: Leading ECC was Lester Gilbert (Central 1968), who was the **first ECC harrier** to cross the finish line in 3 of 5 meets, and crossed 2nd in the other two meets. He teamed with Darryl Howard (Barringer 1968), who was the **first ECC harrier** to cross the finish line in 2 of 5 meets, and crossed 2nd in the other three meets. Marcus Atkins (West Side 1967), Vincent Burnett (Thomas Jefferson 1968), and Norman Gaskins (Barringer 1968), rounded out the ECC scoring threat.

BEST TIMES: 3.5 miles: Lester Gilbert 20.50 — 3.2 miles: Darryl Howard 16.44 - 16.12 — 5.0 miles:

Essex C.C. wins before it 'opens'

Essex County College in Newark will not officially open its doors until Sept. 30, but its soccer team got a jump on the opening by defeating Newark College of Engineering's junior varsity 3-1 yesterday.

Robert Sterling scored two goals and Dominick Paravati one for ECC.

GERALD "PATEESH" FREEDMAN

the Wolverines soccer coach experienced a language barrier during the 1968-69 soccer season. Only one member of his starting eleven spoke English during the excitement of the game as their birthplaces included such countries as Portugal, Spain, Italy, South Africa, and Poland. Nevertheless, this language barrier did not prevent them from finishing with a deceiving 3-5 won and lost record.

Leading the Wolverines offensively was Robert "the toe" Sterling from East Orange High and U.S. Army, whose ball control and power made him a scoring threat from anywhere on the field. He teamed with Dominick "Cerebral" Paravati from Barringer, and Roman "speedy" Chromowsky from Irvington High as well as with Giacchino "latin lover" Russo to form a strong deceptive scoring front line that never stopped hustling. The Wolverines bombarded opposing goalies throughout their eight game schedule scoring a high of six goals against Gloucester County. Although defensively weak at full-back and goalie, ECC fielded an outstanding half-back line led by the ball hawking and heading of George "radar" Kane from Irvington High. Others who teamed with George to provide a strong middle defense was Walter Wyrozak from Irvington Tech and Fernando Ortett from Columbia High.

Head Coach "Pateesh" is a 1960 graduate of North Plainfield High School where he played football, basketball, and ran track. In 1964 [illegible] received his B.S. Degree in physical education from East Stroudsburg where he continued with successful participation in track and football. In [illegible] received his master of science degree from [illegible] State College. Coach Pateesh is an amateur boxer having competed in numerous A.A.U. meets and Golden Gloves competition. More recently he has been serving as a governmental consultant in health and physical education programs. He is also a doctoral candidate at New York University.

Coach Freedman predicts that the Wolverines will be hard to beat in 1969-70.

NOWICK JOINS STAFF

Mr Harry Nowick received his B.S degree from Panzer College and the M.A. degree from Seton Hall University He has taught in the Newark public school system for 17 years with superior ratings Mr Nowick's professional interest and credentials are too numerous to mention He is the [illegible] cials, Baseball Umpires Football Officials, Softball Officials and Soccer Officials Associations At present he is serving as president of the National Intercollegiate Soccer Officials While a teacher in the Newark school system, he coached soccer at Arts High School He will coach soccer at Essex County College

WRESTLING

Wrestling is the only sport offered at Essex County College that permits the student-athlete to [illegible] cording to his weight class

At the college we offer 10 weight classes for competition 118, 126, 134, 142, 150, 158, 167, 177, 190, and heavyweight

Wrestling is a combative sport offering the individual an opportunity to pit his ability, skill, and endurance on a one-to-one basis while contributing to the success of the team

eam Record Won 2 Lost 5 NJCAA Region 19 8th Place

Under the coaching reins of **FRANK MARTELLI**, the 1969 Wolverine golf team finished with a [illegible] place finish in the NJCAA Region 19 championship. For many who made the flight to the [illegible] with the Garden State Athletic Conference [illegible] were the talk of the town and club set

However, it is a statement of fact that ECC [illegible] ed depth in golf talent. An exception and standout was team captain Harry Conway, who provided the Wolverines with an outstanding individual performance. He [illegible] amazed everyone with his [illegible] yards combined with knowledgeable golf

Coach Frank Martelli is on the faculty at St Benedict's Prep School in Newark. He is a gradu[illegible] and golf. He also participated in basketball at Orange High School. In the annual Essex County [illegible] finished among the top golfers. Mr Martelli is presently a master's candidate in the Graduate School [illegible] on at Seton Hall University

ROSLYN L. LIGHTFOOT

is a former All-State right wing in field hockey from East Orange High School. She received a scholarship to study at Montclair State College, where she lettered for four years in field hockey and basketball. The cum laude graduate was elected to Who's Who in American Universities and Colleges. After leaving Montclair State, Roz furthered her studies at New York University where she received her M.A.

Roz began her teaching career in Newark at West Kinney Junior High School. She then went to East Orange High School as a health educator. During her years at East Orange High School, Roz coached basketball, volleyball, softball and track. She was also the advisor to the Girls Athletic Association and the cheerleading squad. Roz has also been with the East Orange Recreation Department for the last eight years. She is presently the director of the East Orange Oval. Her years at the oval have been quite fruitful. Her girls have captured six Kiwanis track and field day titles and one second place during the past eight years and the playground has been the winner of the Boo Duffy Memorial Trophy track and field events for five of those eight years.

Born in Newark's Central Ward, Roz finds herself right back home at Essex County College. As advisor to the cheerleaders, Roz is quite impressed with her squad. Norrice Cannady, a versatile and highly adept young lady (graduate of West Side High School), is the captain of the squad. She is complemented by nine other skillful young ladies. Some of the young ladies and their high schools are Julia Barnes (Central), Jeannine Brockelman (Bloomfield), Jacqui Gamorell (East Orange), Beverly Harvard (Weequahic), Sheila Lewis (South Side), Martha Reichenbecher (Barringer), and others. With such talent, Essex County College can be proud of this representative, attractive, and enthusiastic group.

WOLVERINES

TRACK TEAM:

ECC tracksters traveled to Catonsville, Maryland on May 10th and finished in a tie for third place in the National Junior College Athletic Association Region 19 track championship. Coaches Marshall Brown and Gerald Freedman were very pleased with their first year performance. ECC tracksters set three NJCAA Region 19 records. James Hill won the 100 yard dash in 10.1 seconds and Vincent Godfrey put the shot 44 feet 6 inches for meet records. Hill later long jumped 21 feet 9 inches to set another record. Despite a record of 2 wins and 4 losses in dual meets for 1969, Brown states that ECC has a bright future in track.

1970 TRACK SCHEDULE

Date	Opponent	Time	Place
Wed April 1	Suffolk CC Camden CC (Tri)	1:00 p.m.	Away
Sat Apr 4			
Sat April 11	Staten Island & St. Francis (Tri)	11:00 a.m.	Away

James Bill
Dennis Canada
Dennis McClogan
William Jefferson
Roger Haley
Darryl Howard
Lester Gilbert
Marcus Atkins
Ronald Ferrara
Robert Rasczyk
Vince Godfrey
Joe Petricione
William Laing
Ken Thompson
Bill Natusch
John Schroeder

INDOOR TRACK:

The Wolverines had no formal team or practice schedule for indoor track, yet several sprinters and a lone weightman under the voluntary supervision of coach "Dady" Brown, were individual medal winners in 1969. Dave "the rabbit" Anderson from West Side high school won a gold medal in the 300 yard dash, and Vincent "reliable" Godfrey formerly of Barringer High school won numerous medals in his specialty the shot put. Also our sprint relay teams are beginning to show strength for 1970.

TENNIS:

ECC failed to field a representative varsity team in 1969, as only Anthony Alvarez, a graduate of Newark East Side high school, answered the call for tennis. Thus "Tony" was our number one man in both quality and quantity. On May 17 ECC's junior varsity team defeated Montclair State College tennis club 8-0. We swept the singles matches 6-0 and won the doubles matches 2-0. Freshman Anthony Alvarez won his match 5-7, 6-3, and 6-2. Student interest will have to increase significantly for ECC to offer tennis in 1970.

RUSS ROGERS

All American Track Star to Coach at ECC

Russ Rogers, a coordinator in the financial aid office, is a graduate of Newark South Side High School where his prowess was in football and baseball. He received his bachelor of science degree from Maryland State College where he won innumerable honors as a collegiate high and intermediate hurdling champion. His individual best times are indicative of his stardom success:

50-yard high hurdles:	6.0
60-yard high hurdles:	7.0
120-yard high hurdles:	13.6
400-yard Int. hurdles:	49.6
400-yard dash:	46.0

Moreover, in his travel throughout this country and some fifty foreign countries, Russ has been widely acclaimed for his ironman performances in relay races. Twice he has been the recipient of the Penn Relays' most valuable athlete award. In the 1962 Penn Relays, he ran on Maryland State's 440, 880, and mile relay teams, as well as in the 120 high and 440 intermediate hurdles. His talent was in evidence as he won three gold watches by sweeping both hurdles events, and running the third leg on the victorious mile relay team upset win over perennial champions Villanova.

Russ has been a member of the 1963 and 1967 Pan American track and field team and has won six N. A. I. A. championships in the high and intermediate hurdles. In 1962-1963 he was voted the N. A. I. A. most valuable athlete award. Russ, keeping a packed suitcase, has traveled extensively far and near as a representative on the N. C. A. A. and A. A. U. All-American track and field teams in 1962-1963 and again in 1967-1968.

The Athletic Department is fortunate to have a man of his experience and background instructing the Wolverine tracksters. Russ believes quality can more than make up for lack of quantity.

BASEBALL

The question most asked at Essex County College is when will we offer football and baseball on an intercollegiate level? The response to the football question is still on cloud nine, highly theoretical, and subject to the changing limitations and demands of our changing physical facilities. The word is out that someday somehow the "Wolverines" will field a football team. However, after a successful first year club baseball team in 1969, ECC will formally participate in baseball in 1970, as a member of the Garden State Athletic Conference.

Robert "Rocky" Wolfarth, member of the physical education faculty at Clifford Scott High, will be at the helm as first-year varsity baseball coach. A brilliant high school and college player as well as professional player-coach, he brings much baseball experience and insight to ECC.

SCHEDULE

Wed., Apr. 1	Away	Atlantic Cty.	12:00 p.m.	(2)
Sat., Apr. 4	Away	Bergen Ctp	11:00 a.m.	(2)

NATIONAL JUNIOR COLLEGE ATHLETIC ASSOCIATION

Code of Conduct

The basic principles of the NATIONAL JUNIOR COLLEGE ATHLETIC ASSOCIATION stand for the highest ideals in sportsmanship. One of the principal objectives of competition is the development of this sportsmanship. With this in mind, and since it is fundamental to the continuance of the activities sponsored by the NJCAA that the rights of the majority shall not be jeopardized by the actions of a few, this CODE OF CONDUCT has been designed.

I. BASIC RESPONSIBILITIES

A. Each participant and representative of the NJCAA shall recognize his responsibility for proper conduct at any tournament, contest, or event sponsored by the NJCAA.

B. Each coach shall recognize and assume his responsibility for the actions of his team members.

C. The host to any activity sponsored by the NJCAA shall establish any procedures deemed necessary for the encouragement of proper conduct of the participants in the activity. This shall include publicizing the CODE OF CONDUCT in advance of the sponsored activity so that the responsibilities of each participant shall be clarified.

D. Prior to the event, the coach of each participating school shall inform each team member of the Code.

II. REGULATIONS OF CONDUCT

A. It is absolutely contrary to school law to possess, serve, or consume alcoholic beverages at any school function, including all activities sponsored by the NATIONAL JUNIOR COLLEGE ATHLETIC ASSOCIATION regardless of the age of those participating. Furthermore, any participant who appears at any activity under the influence of intoxicants or is present on the premises where they are being served or consumed shall be subject to disciplinary action by the officials sponsoring the activity.

B. The responsibility for property damage shall be determined. Those responsible for such destruction will be called to account for such actions and arrange for financial settlement to the party or parties concerned.

C. Participants are obligated to show proper consideration for the rights and welfare of others. (Undue noise and disturbances shall be considered violations of this regulation).

III. DISCIPLINARY ACTION

A. Any violation of the CODE OF CONDUCT shall be referred for action to the Standards and Ethics Committee.

B. Any team or individual accused of violating the CODE OF CONDUCT shall be given a hearing before the Standards and Ethics Committee.

C. The maximum penalty shall be expulsion from the event. Officials of the offending school shall be notified of the violation and subsequent action of the Standards and Ethics Committee.

D. The Committee's action does not prevent or assume other disciplinary action by the violator's school or law-enforcement agencies.
